CALL FOR NOMINATIONS

TO: *Entomology Departments, Apiculturists, and Apicultural Laboratories*

FROM: *Erin MacGregor-Forbes, Chairman of the Board,
Eastern Apicultural Society of North America*

DATE: *December 15, 2017*

RE: *Call for Nominations for the EAS James I. Hambleton Memorial Award;
Roger A. Morse Outstanding Teaching/Extension Service/Regulatory Award;
and Student Apiculture Award.*

The **James I. Hambleton Memorial Award** was established by the Eastern Apicultural Society of North America to recognize research excellence in apiculture.

The **EAS Student Apiculture Award** was established to recognize students studying apiculture at the undergraduate or graduate level in a recognized college or university in the United States or Canada. The Student Award includes a \$1,000 premium.

Each of the above award nominations must include a biographical sketch of the nominee, a list of his/her publications, specific identification of the research work on which the nomination is based, and an evaluation and appraisal of the accomplishment of the nominee, especially of work in the last five-year period for Hambleton Award nominees (or a shorter period for Student nominees). Two letters of recommendation supporting the nomination are also required.

The **Roger A. Morse Outstanding Teaching/Extension Service/Regulatory Award Supported by Anita Weiss Foundation** is given annually to recognize an individual in teaching/extension and/or regulatory activity in the field of apiculture. Nominations for this award are welcome from any person in the field of apiculture or may be self-nominating. Nominations shall consist of a letter documenting the achievement of excellence in any or all the areas of teaching/extension and/or regulatory activities in apiculture. Some indication of the appointment responsibilities should be included. In addition, a suitable CV or résumé documenting the activities of the nominee must be submitted. This award includes a \$500 premium.

Nominations are now being accepted for all three awards. The awards for 2018 will be presented at the annual conference of the Society at Hampton Roads Convention Center, Hampton, VA August 13-17, 2018. Nominations and letters of recommendation should be emailed to AwardNomination@easternapiculture.org and received no later than **February 1, 2018**.

Resubmissions from a previous year should be updated if necessary, and a new cover letter be attached which should indicate that this is a resubmission and relevant data is already in EAS possession.
