INTRODUCTION

The purpose of the EAS competitive shows is to provide a competitive forum directed toward improvement of the products of beekeeping. This policy statement is intended to establish the rules/standards for you to achieve this goal.

It is important that all members of our community realize that we all owe it to our craft to show our products, whether or not we feel that our entry has a chance of receiving an award. A class with only a few entries, even if they all have ribbons, does not compare to the impressiveness of a large class!

As the show is to be a competition, it is fundamental that all exhibitors know in advance the judging criteria for each class and follow the rules herein. The EAS Honey Show Advisory Committee is responsible for drafting policies, rules and judging criteria and for disseminating information. Judges will adhere to the Committee's policies and rules. Annually, the committee within the host state will be responsible for:

1. Allocating space for the show and arranging entries
2. Compliance with show rules and judging criteria.
3. Obtaining qualified judges.
4. Cooperating with EAS Treasurer in obtaining awards.
5. Accepting entries and opening show at a predetermined, published time.
6. Within the three weeks following the Show, fill out a yearly comparison sheet and make recommendations for future shows.
7. Record all winners for the EAS, and other Journals.
8. Arranging media coverage of the EAS Annual Conference and Honey Show.
9. Providing EAS a file of high quality presentation photographs, which may be accessed by Sponsors and Silver Award Winners, for media projects and/or publicity purposes. This requirement is to be completed AS SOON AS POSSIBLE following the Awards Ceremony.

The Honey Show Judging Criteria are designed to reflect the skill of the exhibitor, shine a favorable light upon our craft, and create a learning experience for exhibitors. Items over which the exhibitor has no direct control will be de-emphasized. For example, natural flavor or color of honey will not affect scoring, but alteration of either color or flavor in handling or preparation of the entry by the beekeeper will adversely affect the score. Likewise, manufacturing defects in glass jars and bottles will not affect scoring, but surface dust, smudges, scratches, chips or other handling alterations on entry containers will adversely affect the score.

Honey Show judges may be professors of apiculture, or students of apiculture under a professor's supervision, blue-ribbon winners of local, state and/or regional honey shows, or professionals judging in their fields, such as crafts, mead or cooking. Judges must completely fill out a score card for each entry. If an entry is disqualified, the reason for disqualification must be stated on the score card. Judges should make comments on score cards in order to help the exhibitor improve. The score cards and entries are the property of the exhibitor. Judges must break all ties.

All text in red reflects a change in rules from the prior year.

GENERAL SHOW RULES

- 1. Entries shall be registered at the EAS Honey Show in 10th Floor Campus Center, Amherst Room at University of Mass. Amherst. Entries may be dropped off from 2:00 pm to 4:00 pm on Tuesday August 1st and on Wednesday August 2nd from 8:00 am until 11:00 am.**
2. Entries can only be made during the hours published.
3. Entries must be left intact and on display until released by the Show Superintendent.
4. Entries not claimed by the end of the conference Friday will be disposed of by the Show Superintendent.
5. All exhibitors MUST BE current dues-paying members of the Eastern Apicultural Society. If NOT registered for the current conference, proof of current paid dues status must be submitted at the time of making entries. **Judges are discouraged from entering the show if judging.**
6. Only one entry in each class may be exhibited by an individual, that individual's family, or that individual's apiary. **If two entries end up in the same class, the one entered in the correct class by the exhibitor will be the only one judged.**
7. At the time of entering, the stewards will place small labels, with the exhibitor's number, and one with the class entered, inconspicuously on the entry. The purpose of these small, numbered labels is to keep track of entries in a registration book in case of ownership disputes. One label containing the entrant number shall be affixed to the Entry Form, one label shall be affixed to the Judging Sheet, and one label shall be given to the exhibitor, in order to reclaim their entry after the Honey Show. Required 3" X 5" cards will also be numbered at the time of entry registration.
8. Separate section or class rules will apply.
9. Identifying labels on the entries are forbidden. In Arts & Crafts & Gift Arrangements classes, if the exhibitor's name and/or apiary are an integral part of the entry, names are permitted.
10. The exhibitor must choose the class in which to place entries. Judges, under the direction of the Honey Show Superintendent, may adjust classes at their discretion.
11. No commercial products or displays are permitted **with the exception of A1 Gift Arrangement.**
12. No EAS entry may be resubmitted.
13. The decision of the judges in all cases will be final.
14. Entries will not be accepted by mail or commercial carriers but may be hand delivered, on behalf of a qualified entrant, by another person attending the conference.
15. The Show Superintendent has the authority to accept, reject and classify entries in accordance with the show policies, rules and judging criteria.
16. Any exhibitor wishing to protest must do so to the Show Superintendent within **by the end of the day the show opens to the public.**
17. EAS assumes no liability for loss or damage of entries. Although EAS will exercise all due care in judging and displaying entries exhibitors enter items at their own risk.
